

## HOW TO RECEIVE IMMEDIATE NOTICE THAT TRCA OUTDOOR CLASSES HAVE BEEN CANCELLED VIA TEXT

Sometimes the weather doesn't always cooperate with our tennis classes!  
Wouldn't it be great if you could get a text on your phone, as soon as classes have been cancelled??

Now you can!

Using your phone, text the number 81010 (in the place where the phone # usually goes). Then, type the code specific to the day you are registered and would like to receive a message for, in the message box:

Monday's code is: @trcamon

Tuesday's code is: @trcatues

Wednesday's code is: @trcawed

Thursday's code is: @trcathurs

Friday's code is: @trcafri

Saturday's code is: @trcasat

Sunday's code is: @trcasun

Now SEND

You will then receive a return text.

(Sorry, this is no way to get a message for your class specifically. You can only get messages specific to a day. )

To opt out of receiving messages simply:

Text STOPALL to the Remind short code 81010 (US-only)

**To leave one Remind class via text:** Reply @LEAVE to the number you are receiving messages from.

OR

Reply "@leave @code" to 81010. If, for example, the code for the class you no longer want to be in is "trcafri" text:

@leave @trcafri
